Record of Proceedings

(Date of Hearing: 11.06.2026)

(Date of Order: 11.06.2026)

1. Heard the Learned Counsel for the Petitioner and also the Counsel for the Discoms. The Commission notes that the tariff has already been adopted under Section 63 of the Electricity Act, 2003. The matter presently under consideration pertains to approval of the PPA consequent upon allocation of power from the waste to electricity plant. Since, the Discoms are under statutory obligation to procure power from WTE plant, the only issue relates to allocation of power amongst the Discoms. Accordingly, the Commission shall consider issuance of appropriate directions regarding approval of the PPA upon finalization of the allocation, after the discussions held and the consensus amongst the Discoms.
2. The Petitioner is directed to place on record, by way of an additional affidavit within one week, the status of the scheduled date of commencement of the project.
3. Order is reserved.
