No.F.8(5)/DERC/Pt.1/2004-05/6196

Dt. 10.11.2004

OFFICE MEMORANDUM

Sub: Amendment to DERC (Medical Attendance) Regulations, 2003.

Recently medical reimbursement claims pertaining to treatment obtained from Acupuncturist and spectacles procured on recommendation of Oculist have been examined with reference to the existing DERC (MA) Regulation, 2003 (as amended).

On reimbursement pertaining to treatment obtained from Acupuncturist, the Competent Authority has taken a view that Regulation 2(vi) of DERC (MA) Regulations, 2003 do not recognise the services obtained from Acupuncturist and as such the expenditure incurred on such treatment is not reimbursable.

As regard reimbursement of expenditure incurred on cost of spectacles/cost of repair/replacement of lens etc. on the recommendation of Oculist, it has been decided that this may be treated as admissible within the prescribed ceiling limit as provided under Commission's Office Memorandum of 28.04.2004. Accordingly, the existing provisions of reimbursement of cost of spectacles etc. stands amended.
