Sir,

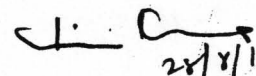

As per para 5.3 of the Tariff Policy, 2016 intra-State transmission projects have to be developed through competitive bidding process for projects costing above a threshold limit which shall be decided by the SERCs.

Accordingly you were requested to send proposals for threshold limit for the intra-state transmission projects to be developed through competitive bidding process.

Commission, considering the proposals furnished by RVPN, has decided the threshold limit of Rs. 100 Crore or more, irrespective of voltage level for development of Intra-State transmission projects. You are requested to take necessary action accordingly.
