ANNEXURE-III

Times of India (English) – 08.05.2011

**NDMC - NEW DELHI MUNICIPAL COUNCIL**  
**PALIKA KENDRA, SANSAD MARG, NEW DELHI - 110001**  
**Website: [www.ndmc.gov.in](http://www.ndmc.gov.in)**

**PUBLIC NOTICE**  
**REQUEST FOR PUBLIC RESPONSE**  
**Petition for approval of Aggregate Revenue Requirement for Distribution**  
**(Wheeling and Retail Supply) Business for FY 2011-12 and True up for FY 2009-10**

1. New Delhi Municipal Council (hereinafter referred to as "NDMC") has filed its True-up Petition for FY 2009-10 and Determination of Corresponding Tariff of FY 2011-12 on March 10, 2011 before the Delhi Electricity Regulatory Commission (hereinafter referred to as "Commission") for determination of Aggregate Revenue Requirement (ARR) and corresponding Tariff adjustment for FY 2011-12 under the provisions of the Electricity Act, 2003, Delhi Electricity Reform Act, 2000 to the extent applicable and the Distribution Tariff Regulations issued by the Commission dated May 30, 2007.

2. The salient features of Petitions are provided below:

**Table 1: Summary of ARR and Revenues for NDMC at existing Retail Supply Tariff (RST)**

S. No.	Aggregate Requirement (Rs. Cr.)	Revenue	Unit	FY 09-10 Actuals	FY 10-11 RE	FY 11-12 Proj
A.	Energy Purchase		MU	2202.46	2004.76	2480.43
B.	Surplus Energy Sales		MU	868.74	647.76	1055.78
C.	Transmission Losses		MU	54.66	51.19	68.35
D.	Energy Sold to Consumers		MU	1142.12	1171.96	1220.67
E.	AT&C losses		%	12.46%	11.15%	10.90%
F.	Average Power Purchase Cost (including transmission charges) (A*10/G)		Rs./Unit	2.93	3.52	3.42
G.	Power Purchase Costs		Rs. Cr.	644.52	705.21	847.42
H.	Revenue from Sales of Surplus Energy		Rs. Cr.	286.06	237.48	369.52
I.	Net Power Purchase Cost (G-H)		Rs. Cr.	358.46	467.74	477.90
J.	Transmission Charges		Rs. Cr.	43.84	47.30	52.03
K.	Operation and Maintenance (including apportioned Admin. and Civil Engineering Department Expenses)		Rs. Cr.	225.21	270.71	272.52
L.	Depreciation		Rs. Cr.	23.85	30.04	33.87
M.	Return on Capital Employed (RoCE)		Rs. Cr.	50.96	70.35	79.24
N.	Less: Non-Tariff Income		Rs. Cr.	9.19	9.65	10.13
O.	Aggregate Revenue Requirement		Rs. Cr.	649.30	829.20	853.40
P.	Revenue from existing tariff		Rs. Cr.	544.68	585.39	608.68
Q.	Revenue Gap		Rs.	104.61	243.81	244.72

3. Recovery of Revenue Gap up to FY 2011-12 - In order to recover this entire gap of 244.72, the average tariff (fixed and energy charges) will be required to be increased by 39% for FY 2011-12.

4. NDMC has proposed a hike of Rs. 1.23, Rs. 2.04, Rs. 2.25, Rs. 1.65 and Rs. 1.44 for Domestic, Non-domestic, Mixed Load, Small Industrial Power and Public lighting respectively from its existing tariff for the FY 2011-12.

5. Performance of NDMC during FY 2009-10:

- Loss Reduction:** The AT&C loss level has reduced to 12.46% during the year consisting of 10.71% of Distribution losses at a collection efficiency of 98.04%. The above AT&C loss level has been achieved by reducing losses by 0.57% from the previous loss level of 13.03%.
- Reliability:** Average system availability index during the period 2009-10 was also more than 99%.

6. In accordance with the provisions of the Delhi Electricity Regulatory Commission Comprehensive (Conduct of Business) Regulations, 2001 notified by the Commission, the consumers and stakeholders are requested to submit the response on the above Petition. The response may be sent to the Secretary of the commission at the following address by 28 May 2011. The response may be submitted personally or by post to the Commission at the address given below. The response can also be e-mailed to the Secretary of the Commission at the e-mail address mentioned below:

**DELHI ELECTRICITY REGULATORY COMMISSION**  
**Viniyamak Bhawan, C-Block, Shivalik, Malviya Nagar, New Delhi - 110017.**  
**E-mail id: [secyderc@nic.in](mailto:secyderc@nic.in) Telefax: 011-26673608**

7. The Commission would hold public hearings with the responding stakeholders subsequently. The date of the public hearings shall be notified separately by the Commission.

8. A copy of the Petition can be purchased from the head office of the Petitioner located at Palika Kendra, Sansad Marg, New Delhi on any working day from May 9, 2011 to May 24, 2011 between 11 a.m. and 4 p.m. on payment of Rs. 100/- either by cash or by Demand Draft/Pay Order in favour of "Secretary, NDMC" payable at New Delhi.

9. The complete Petition is available at our website ([www.ndmc.gov.in](http://www.ndmc.gov.in)) as well as at the website of the Commission (<http://www.derc.gov.in>). Copy of the Petition is available for inspection at our Head Office as well as at the Commission's office at the addresses provided herewith, on any working day between 11 a.m. and 4 p.m.

Secretary

**सार्वजनिक सूचना**  
**जनसाधारण से उत्तर हेतु अनुरोध**  
वित्त वर्ष 2011-12 के लिए वितरण (व्रीलिंग एवं रिटेल आपूर्ति) व्यवसाय हेतु सम्पूर्ण राजस्व अपेक्षा तथा वित्त वर्ष 2009-10 के लिए टू अप को स्वीकृत हेतु याचिका

1. नई दिल्ली नगरपालिका परिषद् (जिसका उल्लेख आगे "न.दि.न.प." के तौर पर किया गया है) द्वारा विद्युत अधिनियम, 2003, दिल्ली विद्युत सुधार अधिनियम, 2000 (जिस सीमा तक लागू है) तथा आयोग द्वारा दिनांक 30 मई, 2007 को जारी वितरण दर सूची विनियमों के प्रावधानों के अधीन सम्पूर्ण राजस्व अपेक्षा (एआरआर) के निर्धारण तथा वित्त वर्ष 2011-12 हेतु सदृश दर सूची समाविष्ट हेतु दिल्ली विद्युत विनियामक आयोग (जिसका उल्लेख आगे "आयोग" के तौर पर किया गया है) के समक्ष वित्त वर्ष 2011-12 को सदृश दर सूची के निर्धारण तथा वित्त वर्ष 2009-10 हेतु अपनी टू-अप याचिका 10 मार्च, 2011 को दाखिल कराई गई है।

2. याचिकाओं का मुख्य विवरण नीचे दिया गया है:

तालिका-1 : मौजूदा रिटेल आपूर्ति दर सूची (आरएसडी) पर न.दि.न.प. के लिए पआरआर तथा राजस्व का संक्षिप्त विवरण

क्र.सं.	सम्पूर्ण राजस्व अपेक्षा (₹ करोड़ों में)	यूनिट	वित्त वर्ष 09-10 वास्तविक आंकड़े	वित्त वर्ष 10-11 आरई	वित्त वर्ष 11-12 प्रांज
अ. उर्जा क्रय	₹ करोड़ों में	एमयू	2202.46	2004.76	2480.43
बी. अतिरिक्त उर्जा बिक्री	₹ करोड़ों में	एमयू	868.74	647.76	1055.78
सी. ट्रांसमिशन हानि	₹ करोड़ों में	एमयू	54.66	51.19	68.35
डी. उपभोक्ताओं को बेची गई उर्जा	₹ करोड़ों में	एमयू	1142.12	1171.96	1220.67
ई. एटी एण्ड सी हानि	%	%	12.46%	11.15%	10.90%
एफ. औसत विद्युत क्रय लागत (ट्रांसमिशन चार्ज सहित) (₹ *10/यूनिट)	₹/यूनिट		2.93	3.52	3.42
जी. विद्युत क्रय लागत	₹ करोड़ों में		644.52	705.21	847.42
एच. अतिरिक्त उर्जा की बिक्री से राजस्व	₹ करोड़ों में		286.06	237.48	369.52
आई. शुद्ध विद्युत क्रय लागत (जी-एच)	₹ करोड़ों में		358.46	467.74	477.90
जे. ट्रांसमिशन चार्ज	₹ करोड़ों में		43.84	47.30	52.03
के. प्रचालन एवं रखरखाव (संविभाजित प्रशा. एवं सिविल अभियांत्रिकी विभाग के खर्चे सहित)	₹ करोड़ों में		225.21	270.71	272.52
एल. मूल्यहास	₹ करोड़ों में		23.85	30.04	33.87
एम. नियोजित पूंजी पर रिटर्न (आरओसीई)	₹ करोड़ों में		50.96	70.35	79.24
एन. घटाएं : नॉन-टैरिफ आय	₹ करोड़ों में		9.19	9.65	10.13
ओ. सम्पूर्ण राजस्व अपेक्षा	₹ करोड़ों में		649.30	829.20	853.40
पी. मौजूदा दर सूची से राजस्व	₹ करोड़ों में		544.68	585.39	608.68
क्यू. राजस्व अन्तराल	₹		104.61	243.81	244.72

3. वित्त वर्ष 2011-12 तक के राजस्व अन्तराल की वसूली—244.72 के इस सम्पूर्ण अन्तराल की वसूली के लिए औसत दर सूची (स्थिर एवं ऊर्जा चार्ज) में वित्त वर्ष 2011-12 हेतु 39% तक वृद्धि अपेक्षित है।

4. न.दि.न.प. द्वारा वित्त वर्ष 2011-12 हेतु अपनी मौजूदा दर सूची में डोमेस्टिक, नॉन-डोमेस्टिक, मिक्सड लोड, स्माल इंडस्ट्रियल पावर तथा पब्लिक लाइटिंग हेतु क्रमशः ₹ 1.23, ₹ 2.04, ₹ 2.25, ₹ 1.65 तथा ₹ 1.44 की वृद्धि प्रस्तावित है।

5. वित्त वर्ष 2009-10 के दौरान न.दि.न.प. का कार्य प्रदर्शन:

- हानि में कमी : इस वर्ष के दौरान एटी एण्ड सी हानि का स्तर कम होकर 12.46% हो गया, जिसमें 98.04% की संग्रहण दक्षता पर वितरण हानि 10.71% शामिल है। उपरोक्त एटी एण्ड सी हानि स्तर 13.03% के पिछले हानि स्तर से 0.57% तक हानि घटाकर प्राप्त किया गया है।
- विश्वसनीयता : वर्ष 2009-10 की अवधि के दौरान औसत सिस्टम उपलब्धता सूचकांक भी 99% से अधिक था।

6. आयोग द्वारा अधिसूचित दिल्ली विद्युत विनियामक आयोग व्यापक (व्यवसाय आचार-व्यवहार) विनियम, 2001 के प्रावधानों के अनुपालन में उपभोक्ताओं तथा पणधारियों से अनुरोध है कि उपरोक्त याचिका पर अपने उत्तर जमा कराएं। अपने उत्तर अधोलिखित पते पर आयोग के सचिव को 28 मई 2011 तक भेज दें। अपने उत्तर निम्नांकित पते पर आयोग के पास व्यक्तिगत रूप से जमा कराएं अथवा डाक द्वारा भेजें। उत्तर निम्नांकित ई-मेल पते पर आयोग के सचिव को ई-मेल भी किए जा सकते हैं।

## DELHI ELECTRICITY REGULATORY COMMISSION

(A Statutory Body of Govt. of NCT of Delhi) Viniyamak Bhawan, C-Block,  
Shivalik, Malviya Nagar, New Delhi - 110 017  
Website: www.derc.gov.in Telefax: 26673608

### PUBLIC NOTICE

#### REQUEST FOR PUBLIC RESPONSE

**Petition for True up for FY 2009-10 and Approval of Aggregate Revenue Requirement (ARR) and Tariff for FY 2011-12**  
**filed by BSES Rajdhani Power Ltd. (BRPL), BSES Yamuna Power Ltd. (BYPL), North Delhi Power Ltd. (NDPL) and New Delhi Municipal Council (NDMC)**

1. The Distribution Licensees of Delhi viz. BSES Rajdhani Power Ltd. (BRPL), BSES Yamuna Power Ltd. (BYPL), North Delhi Power Ltd. (NDPL) and New Delhi Municipal Council (NDMC) have filed their petitions for true up of expenses for FY 2009-10 and approval of ARR and tariff for FY 2011-12 before the Delhi Electricity Regulatory Commission (hereinafter referred to as "the Commission"). The Licensees have filed their respective petitions under the provisions of the Electricity Act, 2003, the Delhi Electricity Reform Act, 2000 and the Distribution Tariff Regulations dated May 30, 2007 which have been extended by the Commission for one more year vide Commission Order dated 10.5.2011.

The Commission has since admitted the Petitions for ARR for the FY 2011-12 and true up for the FY 2009-10 for examination and hearing the parties on their proposals.

2. The four Distribution Licensees i.e. BRPL, BYPL, NDPL and NDMC have, subsequent to the admission of their petitions by the Commission, issued a Public Notice in the following newspapers of Delhi.

NDPL	Hindustan Times (English)	07.05.2011
	Hindustan (Hindi)	
BYPL	Hindustan Times (English)	07.05.2011
	Hindustan (Hindi)	
BRPL	Hindustan Times (English)	07.05.2011
	Hindustan (Hindi)	
NDMC	Times of India (English)	08.05.2011
	Navbharat Times (Hindi), Pratap (Urdu)	

The Public Notices have also been posted on the website of the Distribution Licensees as well as that of the Commission.

3. The four Distribution Licensees viz. BRPL, BYPL, NDPL and NDMC have sought revision of tariff for FY 2011-12 for all the consumer categories to meet the revenue gap in their respective Aggregate Revenue Requirement (ARR) submissions.

4. In accordance with the provisions of the Delhi Electricity Regulatory Commission Comprehensive (Conduct of Business) Regulations, 2001 notified by the Commission, the Commission invites comments from consumers and other stakeholders on the above petitions. Comments may be sent to the Secretary of the Commission at the above office address by 28.05.2011, either personally or by post, or by email at [secy@derc.gov.in](mailto:secy@derc.gov.in).

5. In addition to comments on the petitions filed by the Distribution Licensees, all consumers and other stakeholders are also requested to offer their views on the following issues raised by the Distribution Licensees in their ARR petition for the FY 2011-12. The Commission shall deliberate on the issues while deciding on the tariff for various classes of consumers for the year 2011-12.

- Enhancement of limit for cash payment of energy bills by consumers: The restriction of acceptance of cash payments up to the existing limit of Rs. 4,000 should be reviewed and enhanced to a limit of Rs. 20,000 for a better revenue recovery.
- Applicability of tariff with load above 1000W for residential use: There should be a different treatment tariff for individuals with load above 1000W for residential use, like it is for other categories e.g. Non-Domestic, Industrial etc. with load above 1000W.
- Uniform fixed charges till the load of 5 kW: The majority of Domestic consumers have a connected load greater than 2 kW although their sanctioned load less than 2 kW. This gives undue advantage to consumers who have not increased their declared load to the actual connected load, while consumers of other billed load are paying the fixed charges. To avoid this, the slab-based fixed charges be rationalized.
- kVAh billing for industrial and non-domestic consumers with MDI greater than 10 kW: For industrial and non-domestic consumers with MDI greater than 10 kW, it should be entitled to charging kVAh tariff since it encourages consumers to improve their power factor which eventually helps the system by less loading and reduction in losses.
- Introduction of time differential tariffs for consumers with Load > 10 kW for demand side management: Time Differential Tariffs would result in smoothening of demand curve which ultimately results in savings for the consumers by way of lower power purchase cost.
- Proposal for implementation of Automatic Power Purchase Price Adjustment mechanism: At present, due to the methodology of true-up of power purchase costs on the basis of actual audit accounts, it takes two years before the recovery of legitimate power purchase costs for which distribution licensees have to make payments to power suppliers on an immediate basis. Therefore, a mechanism for pass-through of variations in power purchase cost to consumers on a regular basis (at quarterly intervals) is required.
- Reduction in slabs for Domestic category: To simplify the tariff structure and to reflect the true cost-of-service to the Domestic consumer category, only two slabs be retained for energy charges. This would reduce the amount of cross-subsidy that is currently being provided to the Domestic category by the Industrial category (since the Domestic category tariff is lower than the actual cost of supply to this category). The two slabs proposed are:
  - 0-200 units per month; and
  - Above 200 units per month (with the rate of energy charges being higher for this slab)
- Merger of MLHT and MDCT (Non-Domestic) consumer categories, and merger of SLP and LIP (Industrial) consumer categories: To simplify the tariff structure, the merger of MLHT and MDCT consumer categories is proposed since they both use power for the same "commercial activity" purpose. Similarly, since both SLP and LIP use power for the same "industrial activity" purpose, it is proposed that these two categories be merged as well.
- HT Metering: HT metering be made mandatory for all 11 kV and above consumers (with load more than 100 kW), and for allowing HT metering for consumers with load less than 100 kW who insist on a connection under HVDS scheme with a dedicated transformer of required rating. HT metering helps in reducing AT&C losses to a great extent.
- Prepaid metering: Prepaid metering has various benefits such as elimination of provisional billing and reduction in costs, associated with metering/billing. In addition, it makes consumers more conscious about energy consumed. NDPL has requested that to propagate prepaid metering, consumers applying for temporary connections or caught in their should be mandatorily required to take connections through prepaid meters only so that it may help regulate their electricity consumption.
- Fixed charges and surcharge thereof, to be levied based on MDI reading for Domestic category consumers: The provision of charging fixed charges based on MDI reading and levying a 30% surcharge for the Domestic category should be reintroduced in the tariff, since increase in demand by any consumer category more than the sanctioned amount leads to overloading in the system and increases losses in the network.

6. As done in the past, the Commission would also hold public hearings with the responding stakeholders and the date of hearing shall be notified separately.

7. The Commission shall scrutinize the petitions and may seek further clarifications from the Licensees, if required. The Commission shall, by way of an Order, approve the ARR and Revenue Gap/Surplus with respect to each of the Licensees and explore the ways and means for bridging this gap including support/subsidy, if any, from the Government of NCT of Delhi, tariff increase and/or other regulatory measures. The Orders on the petitions shall be issued after considering the suggestions received from various stakeholders.

8. In the past, there have been requests that the Commission may extend help to consumers in understanding tariff petitions to facilitate them in filing their comments. The Commission has accordingly prepared a Staff Paper on true up petition for FY 2009-10 & ARR for the FY 2011-12. Filed by Distribution Licensees, which is available on the website of the Commission ([www.derc.gov.in](http://www.derc.gov.in)). The Commission has also nominated officers to extend necessary help to all such consumers, who may so desire. Discussions may be held with the following officers after seeking prior appointment.

- Sent. Binku Gauram, Joint Director (26680433)
- Shri Shrikish Anshane, Joint Director (26680734)

9. The complete petitions filed by the Licensees can be downloaded from the website of the Commission ([www.derc.gov.in](http://www.derc.gov.in)) and the web-sites of the Licensees. Copies of the petitions are also available for inspection at the Commission's Office.

10. A copy of the petition of each Licensee may be purchased from the respective Distribution Licensees's head offices on any working day from 09.05.2011 to 24.05.2011 between 11 AM and 4 PM on payment of Rs. 100/- either by cash or by Demand Draft/Pay Order payable at New Delhi as per the details provided herewith.

## PUBLIC NOTICE

### REQUEST FOR PUBLIC RESPONSE

Petition for True up for FY 2009-10 and Approval of Aggregate Revenue Requirement (ARR) and Tariff for FY 2011-12  
filed by BSES Rajdhani Power Ltd. (BRPL), BSES Yamuna Power Ltd. (BYPL), North Delhi Power Ltd. (NDPL) and New Delhi Municipal Council (NDMC)

1. The Distribution Licensees of Delhi viz. BSES Rajdhani Power Ltd. (BRPL), BSES Yamuna Power Ltd. (BYPL), North Delhi Power Ltd. (NDPL) and New Delhi Municipal Council (NDMC) have filed their petitions for true up of expenses for FY 2009-10 and approval of ARR and tariff for FY 2011-12 before the Delhi Electricity Regulatory Commission (hereinafter referred to as "the Commission"). The Licensees have filed their respective petitions under the provisions of the Electricity Act, 2003, the Delhi Electricity Reforms Act, 2000 and the Distribution Tariff Regulations dated May 30, 2007 which have been extended by the Commission for one more year vide Commission Order dated 10.5.2011.

The Commission has since admitted the Petitions for ARR for the FY 2011-12 and true up for the FY 2009-10 for examination and hearing the parties on their proposals.

2. The four Distribution Licensees i.e. BRPL, BYPL, NDPL and NDMC have, subsequent to the admission of their petitions by the Commission, issued a Public Notice in the following newspapers of Delhi.

Licensee	Newspaper	Date
NDPL	Hindustan Times (English)	07.05.2011
	Hindustan (Hindi)	
BYPL	Hindustan Times (English)	07.05.2011
	Hindustan (Hindi)	
BRPL	Hindustan Times (English)	07.05.2011
	Hindustan (Hindi)	
NDMC	Times of India (English)	08.05.2011
	Navbharat Times (Hindi), Pratap (Urdu)	

The Public Notices have also been posted on the website of the Distribution Licensees as well as that of the Commission.

3. The four Distribution Licensees viz. BRPL, BYPL, NDPL and NDMC have sought revision of tariff for FY 2011-12 for all the consumer categories to meet the revenue gap in their respective Aggregate Revenue Requirement (ARR) submissions.

4. In accordance with the provisions of the Delhi Electricity Regulatory Commission Comprehensive (Conduct of Business) Regulations, 2001 notified by the Commission, the Commission invites comments from consumers and other stakeholders on the above petitions. Comments may be sent to the Secretary of the Commission at the above office address by 28.05.2011, either personally or by post, or by email at secy@derc.gov.in

5. In addition to comments on the petitions filed by the Distribution Licensees, all consumers and other stakeholders are also requested to offer their views on the following issues raised by the Distribution Licensees in their ARR petition for the FY 2011-12. The Commission shall deliberate on the issues while deciding on the tariff for various classes of consumers for the year 2011-12.

- Enhancement of limit for cash payment of energy bills by consumers: The restriction of acceptance of cash payments up to the existing limit of Rs 4,000 should be reviewed and enhanced to a limit of Rs 20,000 for a better revenue recovery.
- Applicability of tariff with load above 100kW for residential use: There should be a different treatment tariff for individuals with load above 100kW for residential use; like it is for other categories e.g. Non-Domestic, Industrial etc. with load above 100kW.
- Uniform fixed charges till the load of 5 kW: The majority of Domestic consumers have a connected load greater than 2 kW although their sanctioned load less than 2 kW. This gives undue advantage to consumers who have not increased their declared load to the actual connected load, while consumers of other billed load are paying the fixed charges. To avoid this, the slab-based fixed charges be rationalized.
- kVAh billing for industrial and non-domestic consumers with MDI greater than 10 kW: For industrial and non-domestic consumers with MDI greater than 10 kW, it should be entitled to charging kVAh tariff since it encourages consumers to improve their power factor which eventually helps the system by less loading and reduction in losses.
- Introduction of time differential tariffs for Consumers with Load > 10 kW for demand side management: Time Differential Tariffs would result in smoothening of demand curve which ultimately results in savings for the consumers by way of lower power purchase cost.
- Proposal for Implementation of Automatic Power Purchase Price Adjustment mechanism: At present, due to the methodology of true-up of power purchase costs on the basis of actual audit accounts, it takes two years before the recovery of legitimate power purchase costs for which distribution licensees have to make payments to power suppliers on an immediate basis. Therefore, a mechanism for pass-through of variations in power purchase cost to consumers on a regular basis (at quarterly intervals) is required.
- Reduction in slab for Domestic category: To simplify the tariff structure and to reflect the true cost-of-service to the Domestic consumer category, only two slabs be retained for energy charges. This would reduce the amount of cross-subsidy that is currently being provided to the Domestic category by the Industrial category (since the Domestic category tariff is lower than the actual cost of supply to this category). The two slabs proposed are:
  - 0-200 units per month; and
  - Above 200 units per month (with the rate of energy charges being higher for this slab)
- Merger of MJHT and NDCT (Non-Domestic) consumer categories, and merger of SIP and LIP (Industrial) consumer categories: To simplify the tariff structure, the merger of MJHT and NDCT consumer categories is proposed since they both use power for the same "commercial activity" purpose. Similarly, since both SIP and LIP use power for the same "Industrial activity" purpose, it is proposed that these two categories be merged as well.
- HT Metering: HT metering be made mandatory for all 11 KV and above consumers (with load more than 100 kW), and for allowing HT metering for consumers with load less than 100 kW who insist on a connection under HVDS scheme with a dedicated transformer of required rating. HT metering helps in reducing AT&C losses to a great extent.
- Prepaid metering: Prepaid metering has various benefits such as elimination of provisional billing and reduction in costs, associated with metering/billing. In addition, it makes consumers more conscious about energy consumed. NDPL has requested that to propagate prepaid metering, consumers applying for temporary connections or caught in theft should be mandatorily required to take connections through prepaid meters only so that it may help regulate their electricity consumption.
- Fixed charges and surcharge thereof, to be levied based on MDI reading for Domestic category consumers: The provision of charging fixed charges based on MDI reading and levying a 30% surcharge for the Domestic category should be reintroduced in the tariff, since increase in demand by any consumer category more than the sanctioned amount leads to overloading in the system and increases losses in the network.

6. As done in the past, the Commission would also hold public hearings with the responding stakeholders and the date of hearing shall be notified separately.

7. The Commission shall scrutinize the petitions and may seek further clarifications from the Licensees, if required. The Commission shall, by way of an Order, approve the ARR and Revenue Gap/Surplus with respect to each of the Licensees and explore the ways and means for bridging this gap including support/subsidy, if any, from the Government of NCT of Delhi, tariff increase and/or other regulatory measures. The Orders on the petitions shall be issued after considering the suggestions received from various stakeholders.

8. In the past, there have been requests that the Commission may extend help to consumers in understanding tariff petitions to facilitate them in filing their comments. The Commission has accordingly prepared a Staff Paper on true up petition for FY 2009-10 & ARR for FY 2011-12 filed by Distribution Licensees, which is available on the website of the Commission (www.derc.gov.in). The Commission has also nominated officers to extend necessary help to all such consumers, who may so desire. Discussions may be held with the following officers after seeking prior appointment.

- Smt. Nanku Gautam, Joint Director (26680433)
- Sri Shrikish Asthana, Joint Director (26680734)

9. The complete petitions filed by the Licensees can be downloaded from the website of the Commission (www.derc.gov.in) and the web-sites of the Licensees. Copies of the petitions are also available for inspection at the Commission's Office.

10. A copy of the petition of each Licensee may be purchased from the respective Distribution Licensees' head offices on any working day from 09.05.2011 to 24.05.2011 between 11 AM and 4 PM on payment of Rs. 100/- either by cash or by Demand Draft/Pay Order payable at New Delhi as per the details provided herewith.
