ORDER

(Date of Order 25.04.2013)

1. The Petitioner in its letter dated 12.04.2013 submitted that since the other Distribution Licensees have not filed any amendment for change in the O&M Expenses for the base year of the Second Control Period, i.e., FY 2011-12, they are of the opinion that in absence of the DERC approved benchmark, this Amendment Petition on a stand-alone basis may not serve any purpose.
2. The Petitioner therefore requested the Commission to grant liberty to withdraw the amended Petition.
3. The Commission considered the request of the Petitioner and granted liberty to withdraw the said Petition.
4. The Petition is dismissed as withdrawn.
5. Ordered accordingly.
