**Sub.: Power Perchance Adjustment charges (PPAC) – reg.**

Sir,

This has reference to BRPL's e-mail dated 05.02.2013 and BYPL's letter vide no. RA/BYPL/2013/320 dated 05.02.2013 regarding subject cited above.

2. The aforesaid communications have been considered by the Commission and I am directed to convey that: -

(i) The distribution licensee should levy PPAC after considering rebate on energy charges available to the customer.

(ii) The Commission had earlier given a clarification that 8% surcharge is not to be levied on PPAC. On similar grounds, PPAC should not be levied on 8% surcharge.

(iii) 8% surcharge should not be levied on the load violation surcharge as the penalty of 30% is already inherent in the load violation surcharge.

(iv) In case of prepaid consumers, the rebate is applicable on the basic energy and fixed charges and all other charges should be calculated on the tariff applicable after rebate.

Yours faithfully,
