Sub: - Funding for DVB Pension Trust for 2013-14.

Madam,

Power Dept. GNCTD is in receipt of a request from DVBETBF-2002 (Pension Trust), the contents of which are reproduced below:-

A representation was filed by DVB Pension Trust on 1st March, 2013 before the Hon'ble Commission for adhoc funding required for the purpose of releasing the payments of retirement benefits to the DVB pensioners during the financial year 2013-14 based on the projected payments and considering the fact that the Trust was left with no funds.

- 2. The Trust sought provision of funds in the tariff order to the extent of Rs. 440 crores for the financial year 2013-14 on adhoc basis.*
- 3. It is submitted that similar representations were also filed by Pension Trust for the financial years 2011-12 & 2012-13 and sums of Rs. 150 crores & Rs. 160 crores respectively were provided on adhoc basis by Hon'ble Commission to be recovered from distribution utilities.*
- 4. These adhoc funds are to be adjusted with the total liabilities of the Pension Trust as may be determined on the basis of actuarial valuation.*
- 5. The aforesaid representation was submitted in response to the tariff petitions filed by the distribution Utilities, DTL and IPGCL for the True Up of 2007-12 and tariff for 2013-14 considering the statutory position contained in*

Transfer Scheme Rules read with Tripartite Agreements as per which the successor utilities are required to pay their contributions to Pension Trust. As per the provisions of Trust Deed, the said contributions are to be paid by way of monthly contributions and balance contributions on the basis of actuarial valuation for each year. However due to disputes raised by Discoms on the amount of initial funding provided by GNCTD as provided under rule 6 (9) of Transfer Scheme Rules, 2001 the actuarial valuation after the date of unbundling (transfer) could not be done by Pension Trust and therefore the demands based on the said valuation could not be raised against the successor Utilities including Discoms.

6. As a result of the continuing defaults by Discoms on account of the initial under-funding issue, Trust had to make payments of monthly pension and other regular claims of the pensioners out of the adhoc funds provided by the Commission in the tariff orders of 2011-12 and 2012-13 amounting to Rs. 150 and Rs. 160 crores respectively and the available funds at that time.

7. **However for finding a permanent solution to the funding issue the Trust and DISCOMS are in discussion towards transferring the management of funds of Pension Trust to LIC of India. Both parties are in broad agreement on the modalities but certain technical, legal and financial issues have to be sorted out which will take some time.**

8. Therefore pending the same, a representation has again been filed by Pension Trust before the Hon'ble Commission for the financial year 2013-14 for a sum of Rs.440 crores based on the projected payments to be made towards regular pension and other retirement benefits of the DVB pensioners during the financial year 2013-14. It is submitted that the demand of funding for 2013-14 amounting to Rs.440 crores can be met by monthly contributions from each of the above stated utilities in the proportion of the employees transferred to the successor utilities as on 1.7.2002 (date of unbundling of DVB) which works out as under or in any other manner as the Hon'ble Commission deems fit.

TPDDL	23.56%
BRPL	30.35%
BYPL	24.86%
DTL	9.10%
IPGCL	12.13%
Total	100%

It is submitted that based on the above proportion, the monthly contributions at maximum works out to Rs. 12 crores from one utility.

9. It is noteworthy to mention that Pension Trust has completely run out of funds at this moment and not in a position to pay next month's pensions also. Urgent intervention of the Commission is accordingly requested for including the proposed monthly contributions in the tariff order for 2013-14 of the respective utilities till such time a permanent solution to the issue is reached by handing over the management of funds to LIC of India. It is also submitted that in a recent meeting held under the chairmanship of Principal Secretary (Power), GNCTD on the subject, all utilities had agreed to monthly payment mechanism provided the same is included in DERC's tariff order.

It is requested that the above request of the DVB ETBF-2002 may be acceded to.

Yours faithfully,

(Ankur Garg) 18/07/2013

The Secretary,

Subject: Third party independent testing of energy meters at site.

Madam,

Public Grievances Cell, Deptt of Power, Govt. of NCT of Delhi had been undertaking the need based third party independent energy meter testing at site through Central Power Research Institute (CPRI) on specific consumers' requests after deposit of nominal amount of Rs.50/- by consumer for single phase meter. Balance cost of testing was subsidized by the GNCTD. It generated lot of confidence amongst consumers as PGC & CPRI are both independent of DISCOMS. The arrangement with CPRI was, however, discontinued on 18.11.2010. One of the major reasons observed is the financial burden of such an exercise.

Testing of energy meters at site by independent third party agency is an important consumer satisfaction and confidence building measure. In order to make it self sustainable, it is felt that the expenditure on such testing be borne by the respective Discoms. DERC has already decided that meter testing charges will be reimbursed by DISCOM to the consumer if the meter is found faulty. This arrangement may continue. No directions have been issued in this regard, in case the meter is found correct during testing. It is further felt that the Discoms shall be willing to bear this expenditure if it is allowed as permissible ARR expenditure.

The issue has earlier also been raised by PG Cell with DERC and Delhi Govt. but no final decision could be made.

Now that new tariff orders are being finalized, DERC may kindly reconsider it and allow a lumpsum provision of Rs. 50 lacs, distributed proportionately amongst DISCOMS, for the purpose. The fund could be routed to PG Cell through DTL which is providing logistic support to the Cell.

Thanking you,

Yours faithfully,

(O.P. Gupta)
