**Subject: - Implementation of Fuel Price Adjustment Surcharge reg:-**

Sir,

A provisional 5 % Fuel Price Adjustment (FPA) Surcharge for the quarter Oct-Dec., 2011 was allowed effective from 01.02.2012 for three months as per the directions of the Commission vide letter No. F. 3 (298)/Tariff/DERC/ 2010-11/2602, dt. 01.02.2012.

2. It has come to the notice of the Commission that BRPL and BYPL have been levying Fuel Price Adjustment (FPA) Surcharge on all the bills raised from 1<sup>st</sup> Feb onwards regardless of the period of consumption.

3. It is clarified that Fuel Price Adjustment is a component of tariff and its application shall be in the same manner as in case of a tariff revision i.e. it shall be applicable only on the pro-rata consumption with effect from 1-2-2012. It is, therefore, clarified that the above FPA is to be levied only on the energy consumed from 01.02.2012 onwards for a period of 3 months upto 30.04.2012. The consumption shall be determined on pro-rata basis if meter reading is before 1-2-2012 or after 30.04.2012.

4. It is, therefore, directed that in cases where excess amount has been collected from the consumers on account of FPA for the energy consumed by them prior to 01.02.2012, the same shall be adjusted in the next bill. Compliance report on the above issue should reach the Commission latest by 15.03.2012.

Yours faithfully,
