(Date of Order: 03.11.2022)

Heard Mr. Buddy Ranganadhan along with Mr. Rahul Kinra. This Petition has been filed for preparation of Business Plan for FY 2023-24 to 2027-28. It has been informed that earlier, the information for the preparation of the Business Plan used to be provided by the DISCOMS through letters on the administrative/legislative side. This would have facilitated asking of any information subsequent of the filing of the application from the office itself. Hearing it on the adjudicatory side will require listing of the case every time a small information is required. This will not only burden the judicial side but also make it cumbersome and impractical for getting information smoothly. At this juncture Mr. Buddy Ranganadhan that the Petition itself may be taken as an application/representation for the purposes of preparation of Business Plan as required by the office of the DERC. The prayer appears to be *bonafide* and genuine. We direct that the office may delist this case from the adjudicatory side and place it before the appropriate office/section of the DERC dealing with Business Plan as has been done in the case of TPDDL and other utilities. With these observations, the Petition is disposed of.
