**ORDER**

(Date of Order: 07.04.2026)

1. The instant Petition has been filed by BSES Yamuna Power Ltd. (BYPL)/Petitioner under Section 86 (1) (b) & (e) of the Electricity Act, 2003 seeking approval to procure and sign Power Sale Agreement in respect of 150 MW assured peak power from SJVN Ltd. (SJVNL) 6000 MWh (1500 MW x 4 hrs) Renewable Energy (RE) Project (SJVNL Project) with Energy Storage System (ESS).
2. The Petition was listed before the Commission on 02.01.2026. After hearing the submissions made on behalf of the Petitioner, the Commission admitted the Petition and reserved the Order directing the Petitioner to furnish such clarifications as may be required by the Officers of the Commission.
3. The matter was mentioned during the course of hearing on 24.03.2026, wherein the Learned Senior Advocate appearing on behalf of the Petitioner submitted that, as per the earlier arrangement, the assured peak power from SJVN Ltd. was 150 MW. However, the said capacity is no longer available and, therefore, the present Petition has become infructuous and needs to be withdrawn. The

Commission, after considering the submissions, directed the Petitioner to file an IA placing on record that the present petition has become infructuous on account of non-availability of the aforesaid assured peak power for SJVNL.

4. Pursuant to the aforesaid directions, the Petitioner filed IA No. 10 of 2026 dated 27.03.2026.
5. The aforesaid I.A. No. 10 of 2026 came up for hearing before the Commission on 02.04.2026. During the course of hearing, the Learned Senior Counsel appearing on behalf of the Petitioner submitted that, under the earlier arrangement, the assured peak power from SJVN Ltd. was 150 MW, however, the said capacity is no longer available. In view thereof, it was submitted that the present Petition has become infructuous and may be permitted to be withdrawn.
6. Accordingly, the Petition is dismissed as withdrawn, with liberty to the Petitioner to approach the Commission afresh in case of any change in circumstances. The Petitioner is also at liberty to explore alternative avenues for power procurement to meet its projected demand.
7. In view of the above, the present Petition alongwith Interim Application is disposed of as withdrawn.
