INTERIM ORDER
(Date of Hearing: 18.10.2012)
(Date of Order: 30.10.2012)

The above matter was listed for hearing today in the Commission. Ld. Counsel for the petitioner submitted that the respondent has violated Regulation 52 (viii) of the DERC Supply Code, 2007 while booking the case of theft two times. Ld. Counsel also submitted that the Respondent has arbitrarily (*suo-moto)* raised the load of the electricity connection of his client which is illegal.

Ld. Counsel appearing on behalf of the Respondent submitted that the respondent has power under Section 47 of the Electricity Act, 2003 to enhance the electricity load. Ld. Counsel further submitted that in the 1st case, petitioner has already settled the matter before the Competent Court and they are not aware for what the petitioner has approached this Hon'ble Commission.

On the above, the Commission wanted to know from the Respondent whether prior notice for enhancement of load was issued under Section 47 of Electricity Act or not. The Ld. Counsel for Respondent sought time to reply on the above.

After hearing both the parties, the Commission directed the Respondent to file the reply on the above issue whereas the petitioner was also directed to file specific submissions regarding violation of Regulations / Electricity Act with the direction to supply a copy of the same to the Respondent.

The next date of hearing shall be intimated to the parties in due course.
