No. F.11(2062)/DERC/2022-23/7614

**Petition No. 78/2022**

**In the matter of:** Petition under Section 63, Section 86(1)(b) and 86(1)(e) of the Electricity Act, 2003 for seeking adoption of tariff discovered under Competitive Bidding Process for procurement of 255 MW Wind-Solar Hybrid Power from grid connected Wind-Solar Hybrid Power Project with a Greenshoe option of additional 255MW to meet the RPO as per Regulation 4 of the DERC (RPO and Renewable Energy Certificate Framework Implementation) Regulations, 2021 read with Regulation 27 of DERC (Business Plan) Regulations, 2019 filed by TPDDL.

**Tata Power Delhi Distribution Ltd.**

.... Petitioner

**Appearance:**

Mr. Anand Srivastava, Adv. TPDDL

**INTERIM ORDER**

(Date of Hearing 12.01.2023)

(Date of Order: 12.01.2023)

1. Mr. Anand Srivastava, appeared on behalf of TPDDL. The present Petition is regarding adoption of tariff for the 'in-principle' approval granted on 27.07.2022 for 255MW. *Prima facie*, a case for admission is made out. Admit.
2. Petitioner has submitted that there was a change in the policy by MoP with respect to the RPO and initial bid was for 25% RPO compliance and now the compliance appears to have increased to 43% for which they need more renewable energy. Hence, as an addendum they have given a Greenshoe option in the bid with the liberty that it will be subject to the approval of the Commission. By reverse auction, the price declared is Rs. 3.00 per Unit for 255MW and 510MW both. However, Mr. Anand Srivastava has submitted that they need 510MW and for that he has given a table. In order to figure out their actual need, they are directed to sit with the Officers of the Commission and discuss the matter and accordingly, thereafter the actual quantum will be permitted. For the purpose of consultation in this regard the TPDDL's Officers will sit with the Officers of the Commission on 18.01.2023. After the consultation, the order is reserved and accordingly will be pronounced.
