SHOW CAUSE NOTICE FOR HEARING

The Commission has taken note from the various newspapers reports that the sudden disruption of power supply after occurrence of storm on 30.05.2014 in the NCT of Delhi was largely due to failure of Transmission and Distribution Companies in taking timely steps for augmentation, up-gradation and proper repairs and maintenance of existing infrastructure which includes transmission and distribution lines and transformers etc. The above mentioned issues are serious in nature and therefore the Commission has decided to take cognizance on this matter as a Suo-Moto Petition.

The Commission is of the view that DTL failed to comply with the specific provisions of the Electricity Act, 2003, Rules and Regulations made there under, the terms and conditions of the Transmission license issued to it and directions of this Commission to maintain continuity of power supply in Delhi.

The Commission hereby directs DTL to show cause within a week why appropriate action should not be taken against it in accordance with the provisions of the Electricity Act, 2003 and terms and conditions of its licensee.

The Commission directs DTL to make its detailed reply, if any, in response to this notice within a week and thereafter attend a hearing Scheduled at **4.00 PM on 26.06.2014** in the office of the Commission where its written submissions and verbal response will be duly considered.
