Sh. S.C.L. Das, Chairperson

Sh. Ajay Kumar Jain, Member (Legal)

Appearance:

1. Mr. Anand Shrivastava, Ld. Counsel for the Petitioner
2. Mr. Chetan Saxena, Ld. Counsel for the Petitioner
3. Ms. Mani Aneja, Ld. Counsel for the Petitioner

ORDER

(Date of Order: 07.10.2026)

1. The Instant Petition has been filed by Tata Power Delhi Distribution Ltd. (TPDDL) praying inter-alia the following:
 - i. Grant extension and continuation of the pilot Project till 31.03.2027 based on the approval granted vide Order dated 11.02.2026 in Petition No. 02 of 2026;
 - ii. Approve the mechanism for financial settlement of transacted units transacted through DISOCM billing system.
2. During the course of hearing, the Learned Counsel appearing for the Petitioner submitted that the present Petition has been filed seeking extension of the Approval granted by the Commission vide Order dated 11.02.2026 in Petition No. 02 of 2026.
3. In furtherance to the approval as granted by the Commission vide Order dated 11.02.2026, it is submitted that existing DISCOM billing system only accounts for the adjustment of the energy units transacted, while the corresponding financial settlement remains with the P2P Platform. Thus, the said mechanism for financial settlement through P2P Platform may kindly be approved by the Commission.

4. The Petitioner has submitted that a similar approval as granted by the Commission to the Petitioner was granted by the Hon'ble UPERC to PVVNL in Petition No. 2345 of 2026 filed by PVVNL, wherein it was permitted to undertake P2P energy transactions within its licensed area as well as inter-state in accordance with the UPERC Guidelines with the deviation sought and as approved by the Hon'ble UPERC.
5. The Petitioner further submitted that pursuant the grant of approval by the Commission, the Petitioner implemented the pilot project for P2P trading of green energy between the prosumers and consumers of both TPDDL and PVVNL. In view of the same, it is note that for the purposes of transaction/trading of green energy between the prosumers and consumers, an integrated platform was created wherein a total of 56 prosumers and consumers have registered (15 Prosumers and 41 Consumers). Further, 514 trades leading to 419 units of electricity has been transacted across distribution companies towards the P2P transaction of green energy.
6. Further, it is submitted that the aforesaid approval granted by the Commission was a period of 6 months and has expired on 10.08.2026. Considering the same, REC, which is the nodal agency appointed by MoP for implementation of pilot project vide its letter dated 10.07.2026 to the Petitioner has requested that a necessary approval for extension and continuation of the pilot project be sought from the Commission.
7. Therefore, considering the aforesaid, it is submitted that in terms of the exemption granted on wheeling, banking, cross subsidy and other charges for P2P transaction, the Commission may kindly grant approval of the Order dated 11.02.2026 till 31.03.2027.
8. The Petitioner also submitted that vide letter dated 10.07.2026, REC also stated that the pilot has demonstrated inter-state P2P energy transactions and has indicated potential benefits for participating consumers and prosumers through through enhanced market access and consumer choice and necessary action may be taken to obtain the requisite regulatory approval to ensure uninterrupted continuation of the initiative and ensure wider adoption of P2P energy transaction.

Commission's Analysis

9. The Commission has considered the submissions made by the Learned Counsel for the Petitioner and the material placed on record. The Commission observes that

the Pilot Project was initially approved vide the Commission's Order dated 11.02.2026 in Petition No. 02 of 2026 for a period of six months, up to 10.08.2026 and that the Petitioner has undertaken various steps towards its implementation.

10. In view of the above, the Commission hereby approves the extension of the Pilot Project for P2P Green Energy Trading from 11.08.2026 up to 31.03.2027, along with continuation of the mechanism for implementation of the Pilot Project, as approved vide Commission's Order dated 11.02.2026.
11. The dispensations and consequential reliefs granted by the Commission vide Order dated 11.02.2026 shall continue to remain applicable during the extended period on the same terms and conditions as specified in the above said Order.
12. The petition is disposed of in the above terms.
13. Ordered accordingly.
