ORDER

(Date of Hearing: 24.11.2011)

(Date of Order: 07.12.2011)

1. The Petitioner through this petition prayed to the Commission to approve the incentive based on the availability of transmission system of DTL for the year 2009-10.
2. The Commission heard the petitioner and the respondents regarding the record of final computation of availability of transmission system and calculations for incentive based on availability of transmission system. On the query of the Commission, it is confirmed by the petitioner and the respondents that they agreed in the 5th Grid Coordination Committee meeting held on 25.10.2010 and accept the 98.39% availability of transmission system as claimed by the DTL.
3. In the light of above, the Commission directed as under:
 - i) The availability of DTL Transmission System is accepted as 98.39% for the FY 2009-10.

- ii) Based on the above availability, DTL may raise incentive bills in accordance with the provisions of the MYT Regulations.
4. Ordered accordingly.
