And whereas BRPL, BYPL vide their representations dated 13.07.2026 & 14.07.2026 respectively and TPDDL vide their representation dated 31.07.2026 submitted before the Commission have sought relaxation in the implementation of the aforesaid provisions, inter-alia, on the ground that the actual power purchase cost for the month of June, 2026 has increased significantly as compared to the approved base power purchase cost considered in the prevailing Tariff Order dated 30.09.2021;
