3. **COMMISSION'S ANALYSIS:**

- i. It is observed that the Commission in its Tariff Order issued on 30.09.2021, has considered the claim of differential PPAC and allowed the differential in the said Tariff Order as under. The relevant para of the Tariff order is extracted below:

*"4.175 The Commission has provisionally subsumed the tentative impact to the tune of 80% in ARR of FY 2021-22 for differential claim of 2.37% of above mentioned Petitions amounting to Rs. 18.40 Cr. which is subject to true up and difference, if any, will be allowed with Carrying Cost.*

*4.176 The Petitioner has levied various PPAC in FY 2021-22 (till Sept.'21) as per provisions of DERC (Business Plan), Regulations, 2019 and Commission's letter dtd. 9/04/2021 whose expected revenue recovered is around Rs. 512.14 Cr., which has been considered in FY 2021-22 revenue projection. This is subject to true-up and difference, if any, will be adjusted with Carrying Cost."*

- ii. The claim relating to PPAC of the Petitioner has been subsumed appropriately in the Tariff Order dated 30.09.2021 and the difference, if any, will be considered/allowed with Carrying Cost, on verification of Power Purchase and Transmission Bills, on True up.

4. It is ordered accordingly.
