INTERIM ORDER

(Date of Hearing 13.03.2018)

(Date of Order: 26.03.2018)

1. This petition has been filed by M/s Tata Power Delhi Distribution Limited seeking approval of the Commission for “Replacement of non-star rated Air-conditioner with BEE 5 Star rated Air Condition Scheme with following prayers:-
 - a) To grant in principle approval for the scheme proposed by the petitioner or as may be modified by the Hon'ble Commission; and/or
 - b) To allow the expenses on account of floating tender, hiring of implementation agency, administrative costs and the rebate cost along with interest thereon in the ARR of the petitioner to be recovered under the head of DSM budget or any other head as the Hon'ble Commission may deem fit.
2. The counsel for the petitioner made submissions and requested the Commission to admit the petition. It was further submitted that the petitioner may face a practical difficulty in implementing such directions of the Commission as contained in order dated 20.09.2017 in Petition No. 32 of 2016 of BSES Rajdhani

Power Limited to destroy the old replaced AC by cutting its compressor vertically into two pieces in the presence of the consumer to avoid misuse.

3. The counsel for the petitioner also submitted that cutting of the compressor will release CFC gases in the air which are harmful for the environment; therefore the Commission may give directions for some other form of disposal of the compressor.
4. The petition is admitted. The petitioner is directed to suggest within two weeks, such other options which caters to an environment friendly guaranteed disposal of compressors of replaced ACs so that they cannot be reused.
5. Ordered accordingly.
