**ORDER**

(Date of Hearing: 19.12.2019)

(Date of Order: 18.02.2020)

1. The aforesaid review Petitions have been filed by M/s Tata Power Delhi Distribution Ltd. in respect of the Orders dated 28.05.2019 in Petition No. 03 of 2019, Petition No. 06 of 2019 and Petition No. 30 of 2019, respectively. Vide the aforesaid Orders, PPAC to the Petitioner was allowed as indicated below:

S.No.	Petition No.	Quarter	Order dated	PPAC %	Differential PPAC %
1.	01 of 2019	April - June 2018	28.05.2019	5.00	0.50
2.	06 of 2019	July - September 2018	28.05.2019	5.15	0.65
3.	30 of 2019	October - December 2018	28.05.2019	11.28	6.78

Further, the Petitioner was directed to claim the differential PPACs through ARR Petition for FY 2019-20 as the period of recovery was already over.

2. The Petitioner has submitted that the Petitioner raised the claim for the differential PPAC in its ARR proceedings for the FY 2019-20, however, the same had not been subsumed in revised tariff for the FY 2019-20. The Petitioner has sought review of

the Orders dated 28.05.2019 in the aforesaid petitions, allowing the recovery of approved differential PPAC claim in the forthcoming months by an appropriate recovery mechanism.

3. The contention of the Petitioner has been examined and it is observed that the aforesaid differential PPACs have not been subsumed in the tariff for the FY 2019-20. The cumulative PPAC for the three quarters (April - December, 2018) is 7.93%. The Petitioner may be allowed to recover PPAC @ 2.644% ( $1/3 \times 7.93\%$ ) in three quarters. It is also observed that at present differential PPAC for quarter April-June, 2019 is being recovered from the consumers.
4. In view of the above, the direction to claim PPAC through ARR as contained in para 3.iii of the aforesaid Orders is modified to the extent that the Petitioner is directed to recover differential PPAC @ 2.644% in three quarters.
5. Ordered accordingly.
