Record of Proceedings

(Date of Hearing: 27.01.2026)

(Date of Order: 27.01.2026)

1. Heard Learned Senior Counsel appearing on behalf of the Petitioner. It is observed that there is a need to recalculate and if required, reduce the quantum of power sought to be procured by the Petitioner. This is necessary to avoid any loss which may arise due to mismatch in the procurement sought and actual requirement of the Petitioner. Therefore, the officers of the Petitioner will sit with the officers of the Commission to further clarify the actual requirement of short-term power so that while approving the proposed procurement, the Commission may ensure that any potential loss is neutralized/minimized.
2. List the matter next week.
