1. The instant petition has been filed by Ms. Rekha Gupta under Section 142 of the Electricity Act, 2003 against BSES Rajdhani Power Ltd. (BRPL) for violation of the procedure laid down in the Delhi Electricity Supply Code and Performance Standards Regulations, 2007.
2. The above matter was listed for hearing on 26.05.2016 in the Commission wherein the matter was attended by the counsel and representatives of both parties.

3. The Counsel for the Respondent submitted that matter has been amicably settled between the parties and therefore, the matter may be disposed off as settled.
4. However, the representative of the petitioner controverted the Respondent and submitted that though there is a settlement between the parties, the terms of the settlement have not been complied with by the Respondent and the electricity to the premises has not been restored till date.
5. The representative of the Respondent submitted that there were some technical issues, which have since been resolved and the electricity to the premises of the petitioner has been restored. The Commission directed the parties to confirm whether electricity to the premises has been restored or not. After enquiry, the parties confirmed that the electricity has been restored.
