

Delhi Electricity Regulatory Commission

Viniyamak Bhawan, C-Block, Shivalik, Malviya Nagar, New Delhi-110017

PUBLIC NOTICE (FOR WEBSITE)

“Engagement of Consultant (Electrical Engg.) & (Tariff-Engg.), Consultant (Civil Engg.), Consultant (Tariff-Finance), Consultant (HR), Consultant (Law) in DERC”

DERC invites applications for engagement of following Consultants, as per provisions of DERC (Appointment of Consultant) Regulations, 2001 as amended, as mentioned hereunder: -

Sl. No.	Particulars	No. of Consultants
1.	Consultant (Electrical Engineering) & (Tariff-Engg.)	03
2.	Consultant (Civil- Engineering)	01
3.	Consultant (Tariff-Finance)	03
4.	Consultant (HR)	01
5	Consultant (Law)	02

For the purpose of Engineering and Tariff matters, the Commission is having two separate divisions headed by officers of the level of Executive Directors, namely Tariff-Engineering and Engineering / Performance Standards & Engineering. Since the issues and the functions of both the divisions are sometimes inter changeable and common, the Consultants (Tariff-Engg. & Engg.) deployed in both these divisions shall have to deal with the works, tasks and functions which include (but not exhaustive) as follows.

1. (i) Scope of work for Consultant (Elect. Engg & Tariff Engg.):- The scope of work to be executed / performed shall include the following (but not exhaustive): -

- a) Scrutiny and due diligence for the capital schemes with review of DPRs for the augmentation of existing electricity system, development of new works like Sub-Station, cable installation etc. submitted by Distribution Utility (DISCOMs) and Transmission Utility, keeping in view the applicable regulations and guidelines issued by DERC, CEA and MoP etc. from time to time.
- b) Conduct site visits, if necessary, to assess scheme authenticity and necessity before granting in-principle approval of capital expenditure.
- c) Review the tendering process to ensure procurement compliance with competitive bidding guidelines issued by the Commission/Govt./CVC.
- d) Assist the Commission in preparation of Tariff Orders/ True-up orders by providing engineering related inputs and addressing other references assigned to the Engineering Division.
- e) Assist the Commission in monitoring the adherence of DISCOMs to approved schemes, including cost estimation and procedural compliance.

- f) To assist the Commission in preparation of new Multi Year Tariff (MYT) Regulations & Business Plan Regulations (BPR).
- g) To assist the Commission in formulating / modification / updation of the Regulations required to be framed by the commission as per the Electricity Act and Directives / Policies of Ministry of Power, Government of India, Government of Delhi, CEA etc.
- h) Scrutiny & due diligence of capital schemes related to Renewable Energy in line with the Group Net Metering and Virtual Net Metering for Renewable Energy (GNM & VNM) and other policies and directives of GoNCTD and MoP/MNRE.

(ii) Civil Engineering - The scope of work to be executed / performed shall include the following (but not exhaustive):

- a) Examination & due diligence of the nature and volume of the capital works to be executed under the capital scheme submitted by the Distribution Utility and Transmission Utility.
- b) Checking of total and break-up of civil cost into different heads categories such as material cost, labour cost etc. for DPR of Schemes as per latest Delhi Schedule of Rates issued by CPWD & analysis of rates etc.
- c) To verify quantity of material required for the civil work in the DPR of Capex schemes submitted by DISCOMs.
- d) Checking of tender procedure / documents to verify that the works have been executed as per Competitive Bidding Guidelines of the Commission in capex schemes.

(iii) Tariff- Finance - The scope of work to be executed / performed shall include the following (but not exhaustive):

- a) Scrutiny and verification of the Financial, Commercial data / information submitted by the Distribution, Generation & Transmission Utility in their ARR and True-up petitions along with due diligence and analysis of the same in terms of DERC (Terms and Conditions for Determination of Tariff) Regulations as amended from time to time, MoP rules and other applicable laws/ rules, application of financial & commercial prudence required for the purpose of Tariff Orders to be issued by the Commission.
- b) Examination and analysis of the Financial Statements and other accounting / financial records of Distribution Generation and Transmission Utility in order to verify and validate the claims made in ARR and True-up petitions.
- c) Verification and scrutiny of Capital works / CAPAX, True-up of interest on loans and working capital for the purpose of True-up of the ARR in respective financial years.
- d) Working of the regulatory assets for the purpose of Tariff Orders.
- e) To assist the Commission in preparation of new Multi Year Tariff (MYT) Regulations & Business Plan Regulations (BPR).

(iv) Scope of work for Consultant (HR.):- The scope of work to be executed / performed shall include the following (but not exhaustive):

- a) Knowledge of Service Rules / Regulations, pay fixation & other perks, disciplinary proceedings, leave, and other general establishment and administrative functions.
- b) Knowledge of Management & Development of Human Resources.
- c) Knowledge of labour welfare schemes and policies for the staff and officers of the Government Department / Organization.
- d) Knowledge of office administration as per the rules and laid down norms applicable to government departments/ organizations.
- e) Procurement of goods and services through competitive bidding and award of contracts based on established procedures, including effective contract management to meet all the requirements of the office.
- f) Knowledge of procurement through Government e- Market Place - (GeM).

(v) Scope of work for Consultant (Law):- The scope of work to be executed / performed shall include the following (but not exhaustive):

- a) Adequate Knowledge and experience in the area of Commercial Contracts, Labour Laws, Civil, Writ matters etc.
- b) Knowledge and experience of electricity matters, covering tariff petitions, appeals, Regulations etc. before the Regulatory Commissions, APTEL, High Court and Supreme Court.
